Victoria Roe,

I received your letter and survey that you recently sent me. I appreciate your concern for Sheriffs and those that hold an elected office. The commitment I took when I was sworn in as Sheriff is not taken lightly. I swore to uphold the United States and Oregon Constitution and will continue to do so. With that said, joining a "special group" that stands for something I have already taken allegiance to, isn't necessary. I hope my response has conveyed my support of the Constitution.

Sincerely,

A handwritten signature in black ink, appearing to read "Bruce W. Riley".

Bruce W. Riley,
Linn County Sheriff
